Taylor Nabinger

What a joy it has been to watch & listen to you perform over the years. Well, maybe not the year on the recorder so much, but WOW, have your musical talents taken off from there! It's hard to keep track of all the instruments you play, most of which you've learned on your own. Your abilities amaze us! We love that band has been a highlight in your HS years. You have made so many special friends and memories over the past 4 years, & you've gained wonderful leadership qualities through your band experiences. We look forward to seeing how music will play out in your life as you move into the next chapter. So proud of your many accomplishments,

Taylor! Love you dearly!

We are all so proud of you and excited for your future!
